This scope certificate, in conformity with client's licensee agreement, and based on PRO-S procedure, gives the right to make claims related to this certification for the product (s), unit (s) and process (es) mentioned above. This certificate including the annex remains the property of Control Union Certifications and can be suspended or withdrawn in case of non-compliance with the relevant requirements set forth in PRO-S procedure, terminations as mentioned in the licensee agreement, or in case changes or deviations of the above-mentioned data occur. The certificate holder is obliged to inform Control Union Certifications immediately of any changes in the above-mentioned data. Only an original and signed certificate is valid. This certificate and its copies or reproductions shall be returned to Control Union Certifications immediately on request.
